

Private Equity – Research Internship or Research Working Student

Location: Maximilianstraße 52, Munich, Germany

Start: As soon as possible; we welcome applications with start dates during the year

Alpina Partners

Alpina Partners is a London and Munich based European technology growth investment firm that is independently managed and owned by its partners. Alpina has over € 300 million assets under management in two fund generations. Our dynamic team is characterized by its entrepreneurial spirit, a strong international network and a true passion for growth and technology. We invest in leading European technology businesses with revenues in excess of € 10 Mio. and a strong technical competitive advantage. We are a long-term investor focusing on sustainable value creation. Visit: <http://www.alpinapartners.com>.

Job description and responsibilities

Alpina Partners is seeking outstanding candidates to work directly with the Munich team and its Partners as Intern (min. 3 months) or Working Student (part time, min. 6 months) on research projects.

Based on your experience, you:

- screen interesting investment targets
- create target lists
- help shape technology investment themes through primary and secondary industry research
- study and evaluate historical industry deals

Your profile

For this challenging position we are looking for a person who works well in a very entrepreneurial organization, someone who is a self-starter with strong numerical skills and attention to detail:

- Final year Bachelor, Masters or PhD student from a top tier University with the following fields of study: Business Administration or-Informatics, Finance & Accounting, Engineering, and with top grades in relevant areas
- Relevant work/internship experience in e.g. Investment Banking, Corporate Finance, Big4, PE/VC
- Excellent analytical and interpersonal skills with strong desire to learn and succeed
- Outstanding written and oral communication skills both in English and German language with proven international work and/or study experience
- High proficiency in Microsoft Office (particularly Excel and Powerpoint) with financial modelling skills
- Ability to work independently and efficiently under time pressure in a fast-paced environment

That's for you?

Send resume, cover letter and university transcripts in pdf-format via email to info@alpinapartners.com.
